Your total bill is calculated from the time you enter the banquet room to the time you leave.

This time includes any setup or clean up.

There is no additional charge for the banquet room when food is ordered from the restaurant.

Your total bill for your banquet will be calculated by the number of people you order for. Any remaining food is yours to take home which will be packed into single containers (per food). If you would like your food packed into multiple smaller containers a 5% premium will be added to your bill. You may bring your own containers to take food home at no additional cost.

Children's prices (ages 3 to 10) are \$3.00 less than the stated price.
